Made thinking of 2016 less horrible!By Montzalee WittmannThe Funniest Things Said in 2016 by Jefferson George (Editor) is a collection of crazy and funny things said by celebrities, late night talk show hosts, and others during the year 2016. It is divided up into months so you can guess what might be happening during that time. I giggled so hard reading this book! 2016 was a total disaster but reading this put a new light on things, truly hilarious! This book is a keeper!0 of 0
