It is more of a thought-provoking type of book than a traditional 'devotional' book. Lots of fine humor--both in the drawn cartoons and the word plays--that helps in remembering and gets one reflecting on aspects of faith and how it is lived.0 of 0 people found the following review helpful. Great gift idea for the young in heart.By Leslie A MacAfeeSpiritual, perceptive with a light touch. Great for those who enjoy a chuckle while feeding the soul. Combines cartoons based on biblical texts with reflections and prayers for any day of the year. This book includes 158 devotions, each funny and faithful in their own particular way, and arranged in sixteen categories.
