**Ellen Broadhurst : The Further Adventures of the \$700 Pony** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Further Adventures of the \$700 Pony:

3 of 3 people found the following review helpful. Wonderful, entertaining bookBy Alabama LibrarianI didn't think anything could be as hilarious and fun as the original \$700 Pony Book, but I was wrong. The Further Adventures of the \$700 Pony is even better, and would make a wonderful gift for anyone who enjoys horses, or just a great story about the everyday situations of a busy family. Ellen has written a great read that will be enjoyed by anyone who has ever had to juggle animals, kids, a farm or house and then has the unexpected pop up at the worst possible time. She really reminds me of the great Erma Bombeck.0 of 0 people found the following review helpful. Five StarsBy Arthur

B. Hill loved the second book as much as "the \$700 Pony." 0 of 0 people found the following review helpful. The Further Adventures of the \$700 Pony By Donk Just as much fun as the original \$700 pony book! To horse people, it all makes complete sense --- scary thought! Ellen is a wonderful writer, her husband is a gem, but once her kids read what she's written about them, I hope it doesn't stop her writing career.

The Chronicles of the \$700 Pony introduced humor writer Ellen Broadhurst and the \$700 Pony to an audience that promptly fell in love with both and clamored for more. Here it is! This new story follows Ellen and her ignoble steed as they travel the road to Equine Enlightenment, seeking the elusive Zen of Riding. Joined by the Demon Spawn, a Wee Spotted Driving Pony, Nearly-Headless Yummie and assorted farm characters, the road is hilariously rocky. Follow Ellen and her earnest equines as they traverse the Winter Jumper Show, negotiate Farm Renovation and navigate the Suburban Halloween Parade, all in the name of seeking peace and tranquility. Just like the first book, The Further Adventures of the \$700 Pony is a rollicking good read and will leave you wishing for more.
