Derek Armstrong : The Game before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Game:

In this darkly humorous thriller, reality television becomes too real when a killer with a message preys on the contestants of America's number one TV show. A high-stakes game is played on the set of a live-broadcast, reality-

television show where guests are trapped for six months in a haunted mansion. Thousands of miles away, a psychopath is executed by lethal injection in California and dies with a secret that could save many lives. Only a comical detective who fears nothing—except his teenage daughters—can hope to understand what links these two seemingly unrelated crimes, without ever losing his zest for the game or his sense of humor.
