The jokes are hilarious. There are some slow sections of the book (there are 1000 limericks, they can't all be 5 star). But when you get to the good ones, you will remember them for weeks. If you are sensitive to crude, sexual, or discriminatory jokes, this isn't for you.I took off one star for the "ehh" limericks during the slow parts of the book. I will definitely recommend it though.0 of 0 people found the following review helpful. Five StarsBy AntonioDirty and funny as it should be2 of 3 people found the following review helpful. Giant Book of Dirty Limericks was a "hoot".By Henry A. GoodmanAn excellent addition to my collection of limerick books. I am currently reading it for the second time! I can't seem to get to bed early!

These limericks are callous and crude, Their morals distressingly lewd; They're not worth the reading By persons of breeding - They're designed for us vulgar and rude.
