Worst customer service ever By supebone411 It took almost a full month for me to receive my book. I bought this as a gag gift for a late Christmas present. I ordered in on December 28, 2013. I finally received it on January 24, 2014. I emailed the seller twice and both times received poorly written excuses with little or no punctuation. I cannot in good faith recommend this seller to anyone.

The burden the modern redhead has to bear is heavy. Mocked by friends and foes alike, or worse, fetishized for their "red-hot" sex appeal, at times there may seem like no way out for our carrot-topped heroes. However, help is now at

hand. This helpful guide supplies all the ammunition needed to complete the transformation from redhead whiner to Ginger Ninja!
