This is by far the best I have seen in recent years. It's really fertile with really good laughs. My buddy the joke teller relies on me to supply him with some good laughs. I've been feeding him really good jokes from this book for the past couple of months. His audience-his bowling league, a tough group, they love him! And it's mostly because of me and this terrific wealth of great laffs. O'kay, really, he has the knack, a twinkling eye, as he tells a story, the group is with him. This book supplies the material, you supply the knack. PS-The ladies have been known to enjoy these laffs also. Common sense in toning some of them down should be used. They beg him to tell the joke that just broke up the guys! I usually don't write reviews, but this book deserves notice. Buy it and you will thank me. You owe me big time for this advice. Happy laughs. 0 of 0 people found the following review helpful. who enjoyed most of the book By Molly Mader This was a gift for my father in law, who enjoyed most of the book. A few are cheesy but that's to be expected. 0 of 0 people found the following review helpful. Average at best By Neha Garg The title and cover page are no doubt very interesting but the jokes are average at best..... Many of them are really old jokes that you may have already heard. The others though lewd and crude (as advertised) lack the humor or a kick. The book is average at best. Some of them are good. It is an average buy for the price..... You will probably come across better ones for the price.

**THE BIGGEST, BADDEST, BADASSEST BOOK OF LEWD, CRUDE AND FUNNY-AS-\$\$#!+ JOKES**•What did the two lesbian frogs say to each other? We do taste like chicken!•What does a blonde put behind her ears to make her more attractive? Her ankles.•The journalist asked the politician, “Your assistant said publicly that you have a small penis. Would you like to comment?” “Yes, I would,” said the politician. “The truth is my assistant has a big mouth.”•A guy walks in on his wife having sex with another man and says, “what the hell are you two doing?” His wife turns to her lover and says, “I told you he was stupid.”•How do you get a nun pregnant? Dress her up as an altar boy. If you think no joke is too raw as long as it's funny? this is the book for you! This massive collection of laugh-out-loud and totally politically incorrect jokes is sure to have you and your friends rolling in hysterics.
