P.G. Wodehouse : The Gold Bat before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gold Bat:

0 of 0 people found the following review helpful. Choose something else from this author since he is lighthearted and has great, cleverBy AnneGenerally, even though Wodehouse is writing in the early part of the 20th century so his plots are dated and were of course meant to be pure fluff, this just drags. He has a few clever turns of phrase but this is not worth the money. Choose something else from this author since he is lighthearted and has great, clever, fun descriptive turn of phrase. But not here.1 of 2 people found the following review helpful. Very.....sporty?By TwistI should have

known, with a title like 'The Gold Bat', that this would have some kind of sport in it. First, I have to begin this review by stating I did not finish this book. Therefore, it's entirely likely that I missed some hidden gems later in the tale. That I was unable to make it a quarter of the way through is also very telling. I love Wodehouse - his Jeeves series and his stand-alones. Settling in with a cup of tea and preparing to be amused by his entertaining characters getting themselves - and out of - fixes is one of my favorite things. I gave the book two stars because Wodehouse' marvelous voice comes across clearly. However, if you're like me, and you find your attention wandering slightly when, in other titles, Wodehouse's characters begin to talk extensively of golf or baseball - this book is not for you. There is so much talk. of....rugby? Football? Something with teams? Then, being set in a boys school, I found it very hard to get a sense of the place or the characters. I feel like a bad Wodehouse fan, but there it is. But it's free on Kindle, and it's hard to turn down a free Wodehouse. 0 of 0 people found the following review helpful. Early Wodehouse but show how effective he was in creating ...By Kindle Customer Early Wodehouse but show how effective he was in creating characters who have charmand grace. Does not have the humour of his later Jeeves. Mr Mulliner or the Oldest Member.

The Gold Bat by P.G. Wodehouse is a novel of public school life based on Wodehouse's alma mater. The plot centers around the student's struggles for the last vacancy on the football fifteen and the doings of a mysterious "League" in the school.

"The Everyman edition promises to be a splendid celebration of the divine Plum" * The Independent * "A handsome, collectable hardback edition" -- Lynne Truss * The Times * "The incomparable and timeless genius - perfect for readers of all ages, shapes and sizes" -- Kate Mosse About the Author P. G. Wodehouse (1881-1975) grew up in England and came to the United States just before World War I, when he married an American. He wrote more than ninety books, and his works, translated into many languages, won him worldwide acclaim.
