**JP Davis : THE GOLDEN MOLDY YEARS: Using Humor Perspective to Ease the Personal Challenges of Aging** before purchasing it in order to gage whether or not it would be worth my time, and all praised THE GOLDEN MOLDY YEARS: Using Humor Perspective to Ease the Personal Challenges of Aging:

1 of 1 people found the following review helpful. A very F.U.N. read!By Thomas W BeckerleEnjoyed the wit and the sharp sense of humor on a topic experienced by everyone fortunate enough to survive this long. The large print and under 100 pages made the read quick and painless.

Do the Golden Years really exist? Or, are we just falling apart? Is there a middle ground? How do we cope with the personal challenges of aging with which we are faced? With chapters titled Hair of the Dog, Gum Bear It, Men-A-Pause/Dangling Participles, Maneuvering the Moguls, Rub-a-Dub-Dub and Up the Creaks and Gas Leaks to name a few, along with humor, song and perspective, the Golden Moldy Years offers a novel way to view our older selves.
