Short on the humorBy Kindle CustomerI purchased this because my brother is reading it and he said it made him chuckle. Obviously we don't find the same things funny. Very little humor, in my opinion, with poorly put together short stories. Would I recommend it? Nope.0 of 0 people found the following review helpful. "The Golden Years Ain't for Wimps is such a rewarding book. As I approach, or should I say, as I am in the golden years it is so refreshing to know I have not totally lost my mind. As I read each section it seemed more and more that I had written each one. Thank you, Karen for making aging not so scary." Shirley Longlois
