I'm 45 and grew up on his movies though. I have a 10 and a 12 yr old and they couldn't read these book until they are 18. There are jokes in here that you can tell your kids, but alot of them are not repeatable to children. If you are an adult and like Chuck Norris you'll like these books. Great bathroom reading.2 of 2 people found the following review helpful. The laughs were worth every pennyBy AaronThese books were absolutely hilarious, kept me constantly laughing and were well worth every penny. I highly recommend these books to anyone who is either a fan of the Chuck Norris jokes or who is looking for a great laugh. I think the Chuck Norris vs. Mr. T was my favorite and I found those jokes to be the most hilarious of all three of the

books.
