Ladies' Homemaker Monthly : The Good Wife Guide: 19 Rules for Keeping a Happy Husband before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Good Wife Guide: 19 Rules for Keeping a Happy Husband:

31 of 34 people found the following review helpful. A must read for all wives!- N.Y. Times-By Freddy BI got this for my wife. She said it was "funny". I laughed and asked her to keep it by her bedside as I have found this book very profound and helpful. It will inspire the love in your life to adhere to a more nostalgic time when men were made to be felt as the KING of the castle. I would NOT recommend getting the little lady this as a Christmas present (she was pissed). Now that I think about it don't make it a gift at all. Rather sneak it into her daily reads and hopefully it will inspire her in ways in never inspired my ex-wife(now). Five stars because now I'm single.3 of 3 people found the following review helpful. Great Book to read with friends. Bring your sense of humor and look at how things have

changed. By Jerry Tee This is a great book to have conversation about the good old days. Read it out loud for your friends and see the expressions on the faces of both the men and the women. I find there is a different reaction depending on the gender. 0 of 0 people found the following review helpful. ... these things that women should do to be a good wife. It's supposed to be funny. By Christina It has all these things that women should do to be a good wife. It's supposed to be funny, but it's like they forgot the punchline. It's almost too "real" and would have been good with a little more satire.

A man's home is his castle, and as such, he should be treated like a king. And this fun, retro volume shows wives how to keep his royal highness happy. When he returns home from his demanding job, a man rightfully deserves a bit of pampering. A happy smile, a warm kiss, and a pair of cozy slippers are just the start. Here are all the secrets for helping him feel comfortable and content: advice on cooking from scratch, the lowdown on why a clean home makes hubby feel better, and valuable hints on making yourself more attractive to him. It's a great and humorous gift for brides-to-be or happily married wives, for Valentine's Day, and bridal showers and bachelorette parties.
