The Goon = The BestBy Frank 'Bowzer' RizzoEric Powell's The Goon is THE BEST comic being published today! The only problem is that it is very slow for new books/issues because it is basically just Eric writing/painting/lettering/penciling/etc... with occasional help from someone else. Another great thing is that ANY Goon story from ANYWHERE is always collected in the TPBs, such as online promos, newspaper specials(as in the vol.),etc. Vol. 11 is just as good as vol 0,1-10,and Goon:Noir. Recommended is The Buzzard and Billy the Kid from Eric Powell also.0 of 0 people found the following review helpful. Dark, Funny and always Entertaining.By Jason LonquistWell... for openers The Goon beats the snot out of Twilight Vampires. Loads of weird humorous dark stories. Eric Powell's art stands out, each character is as unique as the next.

Sparkly, skinny-jean wearin' vampires, wiener-eatin' hoboes, multinational midgets, and 2010 Queen of Burlesque star, Roxi DLite, are just a few of the obstacles Goon and Franky are up against in this new collection from Dark Horse Comics! Plus, guest writer Evan Dorkin (Milk and Cheese, Beasts of Burden) pits Goon against the horrendous, bacon-eating behemoth, the Ten-in-One! Collects The Goon issues #34-#37, The Goon in "An Irish Wake" from USA Today, and The Goon's on Vacation from Billy the Kid's Old Timey Oddities and the Ghastly Fiend of London. * Eisner Award-winning series! "Eric Powell's great series The Goon deftly combines lowbrow humor with unexpected emotional depth in its ongoing story of a big, not-so-dumb guy who does battle with zombies in a town seemingly dreamt up by Tom Waits." — The Onion A.V. Club
