Five StarsBy Dan AErma Bombeck was hilarious years ago and still makes me laugh.1 of 1 people found the following review helpful. As funny as always.By PatretShe hits the nail on the head wth her stories of the

suburbs. Took me right back to growing up there and the strange thing of most mothers not having a car to use all week so the few that did drove everyone everywhere. Fun fun times.

"She is marvelously funny, direct as a hypodermic, a virtuoso in the field of suburban living....Lovely stuff." VOGUE It's the expose to end all exposes--the truth about the suburbs: where they planted trees and crabgrass came up, where they planted the schools and taxes came up, where they died of old age trying to merge onto the freeway and where they finally got sex out of the schools and back into the gutters.

From the Publisher This timeless classic by Erma Bombeck still packs the punch. Though some things have changed, many of us still long for what the Jones have -- though they, in reality, long for what we have had all along. -- Louis Mended, editorial From the Inside Flap "She is marvelously funny, direct as a hypodermic, a virtuoso in the field of suburban living....Lovely stuff." VOGUE It's the expose to end all exposes--the truth about the suburbs: where they planted trees and crabgrass came up, where they planted the schools and taxes came up, where they died of old age trying to merge onto the freeway and where they finally got sex out of the schools and back into the gutters. About the Author Erma Bombeck was America's favorite humorist at the time of her death in 1996. Ten of her 13 books, including *Forever, Erma*, appeared on the New York Times bestseller list. She claimed her first fiction writing was the weather forecast in the Dayton Herald. Her favorite food was pasta, and her hobby was dust.
