Great book to use for Church signsBy robert huttoOrdered book at a great price with the intention of using every Monday to choose messages for our new church sign. This book has great pictures with wonderful messages to be displayed in your community for all to read and think about with a new wonderful message each week. Easy reading ,nicely presented, glossy pages and pictures . The best part is catchy sayings for readers to remind them of our Christian faith .0 of 0 people found the following review helpful. Expected better quality product for the full price though the contents were great!By charlesjraleyBook is great! However, the binding was not in tact. One page dropped out when we opened it. This book came from Books and More, P.O. Box 6159, Roanoke, VA. Would appreciate a replacement as it was intended as a gift. We paid \$19.95 for book. Thank you. Harriet Raley
