splitting stories to make me want more. Unfortunately, like with Rich Tosches, many of these stories are from newspaper or magazine articles, not books. So many of these tales left me wanting for more and not being able to get them. Being a Patrick F. McManus fanatic, this is as close as you will come to his constant barrage of side-splitting humor. (Did I use "splitting" too often?) Loved it. 1 of 1 people found the following review helpful. Five Stars By Bob Lawrence Good for many laughs! 0 of 0 people found the following review helpful. Just what I wanted By Mrs. B Like the short stories by my favorite people. Would recommend for light reading and for relaxing reading after a busy day.

From acknowledged masters of the form--such as Henry Beard, P.J. O'Rourke, and Lewis Grizzard--comes this rich collection of great hunting and fishing humor.
