**Neil Kerber : The Great Jewish Cartoon Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Great Jewish Cartoon Book:

4 of 4 people found the following review helpful. One man compilation of weird and wacky Jewish cartoons By Kcorn Created by a Jewish cartoonist, these are sometimes controversial, sometimes even offensive (to those sensitive about Jewish stereotypes) but many are truly hilarious...and the book is definitely worth the money. Besides, I don't know of too many cartoon books which focus on Jewish cartoons, so this one is unique in that respect as well.

A wonderfully funny cartoon collection with a whole new slant on things Jewish -- from the evolution of Jewish man

to the ultimate Jewish heaven.
