**Chris Elliott : The Guy Under the Sheets: The Unauthorized Autobiography** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Guy Under the Sheets: The Unauthorized Autobiography:

2 of 2 people found the following review helpful. Truly one of the best things I have readBy Aiden KeingI wasn't lucky enough to have access to the Letterman show back in it's ground breaking days, but I am sure Elliott would have been one of my favorite things on TV back then. Fortunately we have this book, the anti memoir, by the anti

comedian, which is brilliant from the opening paragraph to the last. Although the acknowledgments section is sure to earn him a few death threats by Andy Kauffman.<sup>3</sup> of 3 people found the following review helpful. Surreal Existential Trip By Julie Murphy Chris Elliott is vastly underrated as a comedian. Now I can say he is vastly underrated as a writer. This was compelling from the first page and for a person of any wit, I wholeheartedly recommend it. One never knew what kind of crazy turn it was going to take. Brilliant doesn't even touch it. I wonder what it would be like if you read it while on some controlled substance? Groovy, Man. 1 of 1 people found the following review helpful. I wanted 4.5 stars By Linda G Simpson If you read and liked any one of his other books you're in for a real treat. This is even funnier than the one you read! Story too zany? Sure but it's funny and Chris still has "it" whatever that is. P.S. if "Daddy's Boy" was PG this one is NC-17.

"This hugely entertaining pack of lies reads like a Woody Allen essay from the New Yorker." David Pitt, Booklist Is Chris Elliott a highly successful and beloved comedian or a slightly dim-witted notalent from a celebrity family who managed to convince a generation of disillusioned youth that he was funny? From a ghastly childhood on the posh Upper East Side to his first job entertaining mobsters with his Judy Garland impersonation, *The Guy Under the Sheets* is packed with countless episodes from the life of a mediocre artist who somehow faked his way to the top of semi-moderate fame and fortune. Woven throughout the fictional fun in Elliott's memoir are wonderful real-life anecdotes that will delight many new readers and loyal fans alike. "The arc of [Elliott's] career remains unique and inspiring . . . that he blazed a trail for *Arrested Development* and *Community* and all the other freaky, convention-flouting TV comedies." Grantland

From Booklist Elliott, the comedian, actor, and writer, here blows the lid off one of the great untold Hollywood stories: the true life of Chris Elliott. The son of film legend Bette Davis and noted mustachioed actor Sam Elliott, Chris got his first big break on *Late Night with David Letterman*, where he dazzled audiences with his many running characters, including a Marlon Brando parody that had its genesis in Elliott's traumatizing encounter with the Oscar-winning actor on his French Polynesian island. Torrid affairs with Shelley Winters and Lee Radziwill, among other women, scarred Elliott emotionally and psychologically, but he didn't let that stop him from turning out classic film and television works like *Cabin Boy* and *Get a Life*. Sadly, Elliott's own life was cut short by his untimely death at the hands of Dr. Ruth Westheimer, another spurned lover. This hugely entertaining pack of lies reads like a Woody Allen essay from the *New Yorker*, but, buried among the silliness, there is a nugget or two of legitimate autobiography. Wildly weird and hugely entertaining. --David Pitt This hugely entertaining pack of lies reads like a Woody Allen essay from the *New Yorker*, but, buried among the silliness, there is a nugget or two of legitimate autobiography. Wildly weird and hugely entertaining. David Pitt, Booklist The arc of [Elliott's] career remains unique and inspiring. That he made things worth memorizing and fashioning one's young identity around. That there is integrity to the path of most resistance, that he blazed a trail for *Arrested Development* and *Community* and all the other freaky, convention-flouting TV comedies. Grantland Everything that makes Elliott great, and everything that makes him so baffling to the Gods of Comedy, is on full display in *The Guy Under the Sheets*...a memoir that is wonderfully untrustworthy, and wildly entertaining....hilarious. Christopher Schobert, Buffalo News About the Author Chris Elliott is a comedian and the author of several books, including *The Shroud of the Thwacker*. He currently stars in *Adult Swims Eagleheart* and has a recurring role on *How I Met Your Mother*.
