0 of 0 people found the following review helpful. A day at the GymBy BillThis is an excellent humorous book for anyone who observes people in the gym or fitness centers. It is worth the list price...a good read.

Once you read this book, going to the gym will take on a new meaning. This book will transport the reader into the

wild kingdom, where he will be able to identify numerous animals that have sometimes escaped his attention. The information provided in this book will be more helpful to the avid health and fitness group than energy drinks and protein shakes. Since knowledge is power, purchase this book and jump-start your power generator.
