**Pelham Grenville Wodehouse : The Head of Kay's** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Head of Kay's:

0 of 0 people found the following review helpful. Four StarsBy janits wodehouse0 of 0 people found the following review helpful. Not His BestBy GrimwigMany of these early Wodehouse stories are no longer under US copyright protection. This copy does not even say when the work was first published; it was in 1905. Only if you are a serious scholar of Wodehouse would I recommend these early works. You can see the Wodehouse technique and some of his favorite humorous phrasing, but the early school stories fall well short of the later classics of Jeeves Bertie and Blandings Castle. His use of the slang of cricket and England that was apparently used in 1905 makes for fairly difficult understanding.0 of 0 people found the following review helpful. Not one of the bestBy Daniel SweeneyI don't enjoy Wodehouse's public school books as much as the country estate books in the first place and this one is not as

good as the other public school books. I will only say that the boys seem to solve the problems, or the problems get solved, much too easily. This it is Wodehouse with all his richness of language so 3 stars.

"Wodehouse is the greatest comic writer ever." Douglas Adams "Wodehouse's idyllic world can never stale. He will continue to release future generations from captivity that may be more irksome than our own." Evelyn Waugh  
About the Author  
Sir Pelham Grenville Wodehouse (P. G. Wodehouse) was an English humorist and writer best known for his Jeeves and Blandings Castle novels. Educated at boarding schools, Wodehouse turned to writing at a young age, demonstrating great skill at humorous sketches and musical lyrics. He continued to write part-time while pursuing, at the behest of his father, a career in banking, and successfully contributed numerous pieces to *Punch*, *Vanity Fair*, and *The Daily Express*, among other publications. In addition to his literary work, Wodehouse was incorporated into the Songwriters Hall of Fame in recognition of his collaboration with Cole Porter on *Anything Goes*, his lyrics to the song *Bill from Show Boat*, and his work on the musicals *Rosalie* and *The Three Musketeers*. While interned along with other British citizens in Germany during the Second World War, Wodehouse made a series of radio broadcasts for which he was accused of being a collaborator; and, although later cleared of the charges, he never returned to England. His work has influenced many other writers including Evelyn Waugh, Rudyard Kipling, J. K. Rowling, and John Le Carré. P. G. Wodehouse died in 1975 at the age of 93.
