Andy Sykes : The Hexjibber Colouring and Activity Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hexjibber Colouring and Activity Book:

The Hexjibber Colouring and Activity book is for people of any age with an imagination and a taste for the ridiculous. Have you ever wanted to colour in an emo? Or be in charge of rebranding the Earth? What about finding the contents of a lunchbox in the wreckage of a city? If so, then this book is for you! This spectacular book comes from the award winning brain of Andy Sykes, responsible for the animated shorts 'Evil Fun With Zimmy' and 'Andy's Life

Animations, as seen on BBC2's Homegrown Hollywood! If you want to joy up your life and prove that colouring-in isn't just for kids, then get your art materials at the ready and get stuck into this book! An ideal gift for Christmas or a birthday!
