(A fun book for coloring!)By Marie L.I received a copy of this book from the publisher for an honest review and honestly I love it! Tim Foley did a nice job on the illustration. The paper quality is good, although if using markers, I probably would put a few sheets of paper behind the page in case of bleed through. The drawings are one sided and are perforated. I really like the variety. There is a mix of Hillary pictures that are both historical and comical. I look forward to coloring in it!4 of 4 people

A keeper!By MLopezThis coloring book is amazing! I bought it as a gag gift for Christmas, after the election. The pages are thick and the images comical! Kudos to the creators of this book. It is very imaginative. A keeper!

This nonpartisan adult coloring book gives you the opportunity to color the Democratic presidential nominee superimposed into a wide variety of famous historical scenes and landmarks. Acclaimed artist Tim Foley offers colorists thirty-one black-and-white illustrations of Hillary in all her pant-suited, empowering magnificence. Foley has transposed the former first lady into a wide variety of famous paintings and photographs. From placing her face on the Statue of Liberty to transforming her into Rosie the Riveter or Uncle Sam taking on Trump, Foley masterfully incorporates Clinton into a variety of scenes that are sure to be loads of fun to fill with color. This book also features her as Amelia Earhart, Wonder Woman, Nancy Sinatra, and more! Even good ol' Bill and Elvis make appearances! This coloring book also includes a cut-and-fold stand-up figure of Hillary for colorists to assemble and display, as well as perforated pages that are printed on one side so you can show your support (or lack thereof) anywhere!
