You people that are calling this "disgusting and sexist" are so ridiculous. Lighten up! It is a joke! Wah, wah, wah...someone is offending the liberals again!!! Waaaaah!!

She is the world's most controversial former First Lady, and, as a woman who dared to enter the policy arena instead of playing it safe doing charity work, she's inspired a lot of passion on both sides. For all those who'd like to stick it to her, here's your chance. For those who are horrified at the thought, be comforted by this: every dollar spent buying this kit is not going to be donated to Ms. Clinton's political rivals! The kit contains a Hillary Clinton look-alike doll, a book of voodoo spells particularly appropriate for the junior senator, and pushpins.
