She had the originals on cassette tape oh so long ago.... So long ago :-) They've since been passed around, abused and just plain worn out over the years. These are a perfect replacement - and more so - with added dialogue and extras. Perfect for a serious fan of the BBC dramatized radio series — essential! :-) 1 of 1 people found the following review helpful. 14 hours of Audio enjoyment. By CYRI have not listened to all phases yet, but as a HGTTG TV movie fan, I have all 14 hours digitally loaded for travel and looking forward to the entire program. I have spot listened to check quality and everything sounds excellent with many overlaps between the TV actors and the radio actors. 2 of 2 people found the following review helpful. It's just this radio show, you know? By Bruce C. It's the radio drama from the BBC that launched the late Douglass Adams' career. I've been wanting this for years. Packaging doesn't match the picture, but that's documented in the product description. It's more compact and easier to store. I'm happy with it.

This really is the ultimate answer to Life, the Universe, and Everything—all five radio series of The Hitchhiker's Guide to the Galaxy collected together for the first time, in a handsome box with magnetic lid. From the original

Primary and Secondary Phases, through to the more recent Tertiary, Quandary, and Quintessential Phases, these are the adventures of Arthur Dent, Ford Prefect, Zaphod Beeblebrox, and their assorted human, robotic, and alien companions. These full-cast BBC Radio 4 dramas star Simon Jones, Peter Jones, Geoffrey McGivern, Mark Wing-Davey, Stephen Moore, and Susan Sheridan, with a stellar guest cast including John le Mesurier, Joanna Lumley, Christian Slater, Jackie Mason, Sandra Dickinson, Rula Lenska, Griff Rhys Jones, and Jonathan Pryce. Also included is an exclusive bonus disc containing two programs from the BBC Archive: Kaleidoscope from 1980 (going behind the scenes of the second series) and Six Characters in Search of an Answer: Arthur Dent from 2002. 14 CDs. 14 hrs 45 mins.
