**Peter Newell : The Hole Book: Original Edition of 1908** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hole Book: Original Edition of 1908:

0 of 0 people found the following review helpful. Still entertaining.By BamlioArrived on time and in excellent condition. This is a new edition of a very old book from the 70's (when I first purchased it) It's a cute story and back in the day was on a list of best books for children....very entertaining. I bought it for my daughter back then and now for my granddaughters. This book is by an award winning author.I want to add that even though the LEFT will find fault with this book (anti- 2nd amendment) the book actually teaches how it is so important to realize that a bullet can go a

long way from the target.....all supporters of gun rights believe in proper training, background checks and responsible gun ownership. Ck the news and you will see how a CC or CHL individual saved the lives of others in a terror/insanity attack.1 of 1 people found the following review helpful. I have an early 1900's copy in very poor shape that belonged to my mother who is an ...By Paul KogutI was excited to see this book available. I have an early 1900's copy in very poor shape that belonged to my mother who is an Alzheimer's patient. I actually bought it to see if she recognized it. She immediately did, even after nearly 90 years.. Now I have the original and this new copy that has all the pages intact. It will be a while before my two youngest grandchildren read this as it is all about a misfired gun that sends the bullets to a different place on each page. We live in a time when this is not necessarily entertainment. But I did love this book as a child.0 of 0 people found the following review helpful. HOLE BOOK Peter NewellBy Memories4evrI love this book. I looked forever for this book. I am so happy I found it. I am 63 and my Grandmother had this when I was young. Now my Grandchildren can enjoy it.

Complete digitally restored reprint (facsimile) of the original edition of 1908 with excellent resolution and outstanding readability. The book is printed in color. Illustrated with 24 pictures and rhymes by Peter Newell.

From the Back CoverAnd the reader is started on the trail of Tom Potts' bullet, which leads him through all sorts of unexpected scenes and adventures, each funnier than the last, until, finally, the bullet meets something that can stop it- luckily for Tom because 'It might have gone clean round the world and killed him on the spot.'About the AuthorPeter Sheaf Hersey Newell (born March 5, 1862, died January 15, 1924). He was an American artist and author, and a famous illustrator of childrens books at the turn of the century. Besides his own books, Peter Newell illustrated Mark Twains Innocents Abroad and Lewis Carrolls Alice in Wonderland and Through the Looking-Glass. He is the author of the Classics The Hole Book, The Slant Book, and The Rocket Book.
