I laughed, cried, and laid aside my assumptions.By Way2MellowI thought I had Robert Hitt Neill figured :he's a great Mississippi Delta storyteller outdoor writer.I've enjoyed his many books and Brownsbur Bugle newspaper columns.He's just too big for the box I had him in.This book tickled me and

had me laughing out loud -that's how I dropped my guard and let it get under my skin. Neill's family includes nondenominational believers, denominational nonbelievers, Presbyterians of both kinds, Episcopalians, Catholics, Methodists, Locational Baptists, Numbered Baptists, and human beings of every description. He has lived some colorful life, and all those years have given him some humility, and the perspective to begin to see that God has been with him all along, in and out of church, pain, farming, writing, fire, prison, fooling around with youth groups, music, fellowship, and Kairos International Prison Ministry. 1 of 1 people found the following review helpful. Lift your spirits By Lucy Rickman What a funny book. It is well written and holds your interest to the end. I recommend that everyone get a copy for those days when you have the blahs and just pick it up and read from any page to get a lift. I intend to buy another book from "Uncle Bob".

To many non-Christians, the image of a Very Religious Person is often that of a staid dour individual with a faintly disapproving air. What if Christians were to reveal to the world just how much Joy there is in living a Christian Life? What if Christians exuded laughter as they go about their daily living? Would more non-believers be open to receiving the Good News with an open heart, if they knew that Christians actually have more fun in Life than any others? This book describes that type Life: sometimes episodes of side-splitting laughter, sometimes tear-jerking experiences, which have blessed the Life of Robert Hitt Neill and his family on their journey. Those readers familiar with Neill's humor in his earlier books like THE FLAMING TURKEY or THE JAKES will eagerly anticipate reading THE HOLY GHOST HAS A FUNNY BONE.
