The World through Your Toddlers EyesBy WifeMotherProPetSitterUSAI bought this to read before an event where I was hoping to meet Bunmi Laditan (at the Chicago 2015 MommyCon natural parenting conference. following review helpful. A must have for every parent, even if your kids are older. By Emily S. I've read it several times now and I love it more every time!!! 1 of 1 people found the following review helpful. Adorable, funny, and insightful. By TJ This is an adorable book.

As seen on Good Morning America, the irreverent, bracingly honest, and "awfully funny" (The Boston Globe) satirical parenting guide from the Internet's most infamous tot, whose unchecked sense of entitlement and undeniable charm have captivated hundreds of thousands of fans. Are you the confused parent of a toddler? Are you constantly disappointing the 2T in your life? Are you tired, stressed out, and looking for relief? I can't help you with that last one, but if you want to become an A+ servant to your small child, this book is for you. Who better to teach you about toddlers than another toddler? In this book you'll learn: • How time-outs make you look like a fool • Why potty training is not only unnecessary but unrealistic for children under eighteen • Why toddler beds are OUT and letting your child sleep on the diagonal in your bed is IN • The best way to apologize to your toddler for all of those Pinterest casseroles • That when you love someone, you accept them as they are, pants or no pants The hard-hitting knowledge in The Honest Toddler will save you thousands of dollars in unnecessary whole grains and toothbrushes. Happy reading. You're doing the right thing. For once.

"How did this get published? Someone please take this child to the park." (Dr. Harvey Karp, creator of the DVD/book, The Happiest Toddler on The Block) "I laughed my face off." (Jenny Lawson, #1 New York Times bestselling author of Let's Pretend This Never Happened) "Laugh out loud funny! Get this book NOW! It's a must for any and every parent!" (Jill Smokler, author of Confessions of a Scary Mommy) About the Author Bunmi Laditan is a regular contributor to Parenting.com, Mothering.com, iVillage.com, and The Huffington Post.
