Catherine Hamrick : The Husband-Hunting Handbook: Advice and Recipes for Landing the Perfect Man
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Husband-Hunting Handbook: Advice and Recipes for Landing the Perfect Man:

This book has interesting stories of various dating experiences as well as good advise. It even has yummy recipes and it helps readers to realize they can have a good life without a man, so being picky can be a good thing.
