**D. Romeo : The 'I Hate Brenda' Book/Shannen Doherty Exposed!** before purchasing it in order to gage whether or not it would be worth my time, and all praised The 'I Hate Brenda' Book/Shannen Doherty Exposed!:

5 of 8 people found the following review helpful. Some people need to get a life By Jennifer I remember reading my own copy of this book at the height of 90210's popularity and I had a copy of this book. All I will say is that the

authors of this book, Michael Carr and Darby, need a life or a better hobby (or better yet, a job) if they have to waste their time writing a piece of vicious, sniping, venomous drivel such as this book ----- especially if they have to obsess on someone that they apparently despise and can't tell the difference between a TV character and an actual person. This book was not humorous and to buy it is still a waste of money. I would not advise buying it or reading this and if it were possible I wouldn't even give it half a star. 3 of 5 people found the following review helpful. shut up!!! By Jordyn Simmons  
brenda walsh is the best character of 90210 it pisses me off how everyone acts like they hated her in reality if it wasn't for her the 90210 show wouldn't have been a hit at all!!! im sorry but kelly taylor in my opinion was the most annoying of them all her laugh alone pierced my ears it sounded like she was a fat lil kid trying 2 breath when she would laugh its just ridiculous how everyone makes brenda sound like a bitch when everyone can relate 2 her more then anyone on the show!!! kelly was a backstabbing bitch who stole dylan from brenda wut kind of best friend does that brenda wasn't overreacting at all she was reacting how anyone would and she was only dramatic because of how the people around her made her feel!!! 6 of 7 people found the following review helpful. Entertaining read By A. Ester  
I owned this book when I was 11, right at the height of 90210-mania. I loved the character of Brenda and HATED these authors, but in hindsight, this book is actually a pretty funny read, and Brenda, was, in fact, a character worth hating. (Watching the newly-released DVDs has been eye-opening). I feel a little bit bad for Shannen Doherty because she wasn't her character of course, but she has proven to be just as temperamental as the authors claimed, so...

A look at the growing dislike for the spoiled star of Beverly Hills 90210 discusses the birth and popularity of the I Hate Brenda Newsletter and the off-screen behavior of the actress. Original.
