Idler Publications : The Idler Book of Crap Jobs before purchasing it in order to gage whether or not it would be worth my time, and all praised The Idler Book of Crap Jobs:

Following the huge success of Crap Towns, loafer's bible the Idler presents the even funnier Crap Jobs. Drawing on the resources of the Idler's hudely witty audience, Crap Jobs is a side-splitting trawl through the worst job experiences ever. From the North Sea Ferry cabin cleaner to the artificial chicken inseminator, read tales of degrading exploitation and humiliation, of bosses from hell and co-workers from purgatory. A unique combination of mordant humour and biting social satire, Crap Jobs tells of stress, misery and rebellion in the darkest most satanic warehouses, offices, call centres, hospitals, restaurants and factories in the UK.

About the AuthorEditor Dan Keiran, 28, is an expert on crap jobs. Before becoming the Idler's Deputy Editor, he stumbled through a myriad of depressing careers. His humiliating CV includes, weed sprayer, bank-clerk, box-stacker, washer-upper, hay bailer, marquee-erector, army kitchen-porter, water-cress farmer, pallet-maker and turkey beheader. He recently co-edited the Idler's book of Crap Towns and Crap Towns II.
