You will love his whimsical humor. Great gift for wine lovers. You will see something different every time you open the book. Definitely a coffee table book you will want to leave out for guests to see. 0 of 0 people found the following review helpful. The pictures are quite funny. By Pamela Avis A book I can pick up from time to time and find something to make me smile. The pictures are quite funny. 0 of 0 people found the following review helpful. Five Stars By AOA classic that I've owned since original publication.
