Jarda Dokoupil : The Invitation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Invitation:

1 of 1 people found the following review helpful. A great starting point...By M. MercadoAnoyne fascinated by integral societal, organizational and individual change will see here is a great summary of many theories of leadership and change explained in simple terms and with illustrative examples of the author's life. If you like Beck, Scharmer, Senge... look here... it might be a great tool for those starting others on projects related for example to communities of practice.

There is a change on the way. Change so profound one can only stand in awe and wonder. Change so important that

without exaggerating, our future depends on it. Change that unfolds in ourselves all around the world, whoever we are and wherever we live. Like a big wave gently but firmly reaching the very core of ourselves and taking us forward. The implications are unknown for now, yet are becoming clearer every day. As a result, a movement of new leaders is being born all around the world as we speak. A crucial choice then awaits for every and each one of us right now. Are you ready?
