David Hoffman : The Joy of Pigging Out before purchasing it in order to gage whether or not it would be worth my time, and all praised The Joy of Pigging Out:

The Joy of Pigging OutBy SteveThe Joy of Pigging Out is just my kind of book, it vindicates all the shamefull excesses which have made me into a fat slob, and even adds some new and untried avenues to gastronomic excess. The idea of scooping out the contents of jelly donuts, restuffing them with Reeses miniatures and microwaving the whole thing had never occurred to me, but thanks to this book I know it now. What a great idea! This book even identifies great mail order sources for wonderful treats such as Kentucky Bourbon Balls, White Castle Hamburgers and chocolate covered caramels. What more could a pigger desire than to have the UPS man deliver diet busting fare?
