I've "read" it many times!1 of 1 people found the following review helpful. There are many joys of aging - all fun to learn about.By GrammyBest book ever written about aging and the joys of doing so. I bought several for gifts for old friends. It is a fun book and gets great positive reactions and a lot of hilarity. It's a must read for over the hill people!0 of 0 people found the following review helpful. Must ReadBy DowntownQuick read. You're so taken in that you're done before you know it.

"An inspirational look at the beauty found within the Circle of Life." The Times "A straightforward, clear-cut how-to book for putting a spark (or two!) back into your life. It truly describes the magical beauty to be found in the twilight years." —Yule Biyung, author and inspirational speaker Thomas and Cindy Senior are the best-selling husband-and-wife team who authored *Retiring Gracefully* and *Senior Sex: How to Rekindle the Sizzle in Your Bedroom*. In *The Joys of Getting Older* the tradition of their previous books, they have collected all their best advice and share their insights into how you can lead a happy and energetic life after reaching "that certain age." The Seniors are living out their dream retirement in sunny Florida, where hurricanes and theme parks provide routine stimulation in their lives.
