GoethelThis is not a book to buy if you are planning on attending law school and want to find out what the life of a lawyer may be like. It is, however, a funny and amusing read about the more trivial aspects of the legal and judicial professions. The subjects vary and are all over the spectrum from the most hated judge ever to serve on the Supreme Court to the test that is given to immigrants that are trying to become citizens. The book reads quickly and would be a great book for a plane flight or the beach this summer. A great book if you buy it with the knowledge that it isn't too much of a brain teaser.0 of 0 people found the following review helpful. It's more for high school kids, I guess.2 of 3 people found the following review helpful. Prisoners' last meals...hmmm....By Lynn "The Judge Who Hated Red Nail Polish" is a trivia book that covers a wide range of facts, odd happenings and weirdness from the current legal system back to ancient times.You'll find short articles such as:Must-Visit Travel Destinations for Law BuffsHaunted History: The Salem Witch TrialsThe Worlds Longest Prison SentencesTyphoid Mary Goes to CourtHow Rich People Avoid Getting Beaten Up in Prison"Oops" Headlines About Law and CrimesFamous Prisoners' Last MealsReality TV in the Courtroom (find out if your favorite reality show has been sued)Celebrities With Law Degrees (some might surprise you)This book might help you decide if you should sue your neighbor over their unsightly fence that blocks your view. "Trials of the Centuries" begins with Ancient Greece's 4th century B.C.E. trial of Socrates. Answering thirty-two questions will determine if you know enough about law to pass the U.S. Citizenship Test (answers are provided). And, of course, you'll learn about the Supreme Court judge who hated red nail polish.Although most of the trivia isn't crazy funny, this book would make a nice stocking stuffer for a lawyer, lawyer wannabe, or a trivia buff. It also makes great bathroom reading.I'd like to give this book 3 1/2 stars, but I can't so I'll round up to 4 stars.

Bankrupt celebs, Typhoid Mary's court battles, lawsuits by sports fans, and much moreWith just over 1.1 million practicing lawyers in the U.S. today, this small portion of the population has produced no shortage of entertainment for the rest of us. Or is it just that Americans sue each other over the darndest things? From famous court battles to obscure triva and facts, The Judge Who Hated Red Nail Polish
