**Richard Smith : The Kitty Kama Sutra** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kitty Kama Sutra:

0 of 0 people found the following review helpful. Cute Funny Cat BookBy ChristinaThis book is too cute and funny. I love cats and I when I saw this book I just had to purchase it.0 of 2 people found the following review helpful. One StarBy Sue A. MullerStupid5 of 5 people found the following review helpful. I spilled my creamBy art loverI have never been a cat lover, but will be one now. The illustrations by Susann Ferris Jones are delightfully erotic yet not explicit. I am grateful for the map of kitty erogenous zones. I will never fondle a pussy the same way. I believe I now

know where and how to do it right. There will be no more clumsy poking around that leads to nothing but disappointment. Now that I've read this manual, I expect to have all cats roll on their backs or rub against me when I am near. I expect to get and give pleasure even to the cats that prowl my backyard.

Meow! This feline-centered Kama Sutra will get any cool cat purring very loudly—and its owner laughing. With elaborate illustrations of graceful creatures engaged in such fur-play as the Bombay Belle High-Quality Earlobe Lick, as well as diagrams of the paw's erogenous zones, this sensuous guide plunges into the mysteries of cat love. It smoothly covers such topics as “First Intimacies: The Warming Up of Kitty”—including the anointing of the body with rare oils and spices, plus lusty temptress meowing activity—and “The Fires of Ranchipur: The 12 Positions of Kitty Love.” Of course, since every cat loves a cuddle, there's advice on what to do post-lovemaking.
