Evan Liewer : The Kosher Cookbook of Imaginary Animals before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kosher Cookbook of Imaginary Animals:

1 of 1 people found the following review helpful. Awesome AwesomeBy EllaJewish or not jewish, this is an awesome read for people who are jewish or not. The writing is funny1 of 1 people found the following review helpful. Kosher CookbookBy EllenThis book is every bit as amazing as the author! You must read it! I promise you will love it!0 of 1 people found the following review helpful. Too much Jesus/Christian contentBy KI bought 2 copies of this for gifts based on the strong reviews, but I can't give them to the intended recipients because of the recurrent discussions of Jesus and Christian teachings in this book. It takes a lot of the fun out of the book as well.

This is the definitive guide to the kosher eating of imaginary animals! Each chapter focuses on a different creature of legend or lore and explains origins and unique attributes of each creature, then based on the creature's physical description, could a kosher conscience eater consume the beast? Animals include: Unicorns Ewoks Basilisk Werewolf Centaur Jar Jar Binks Donald Duck Cylons Loch Ness Monster Thestrals and many more This is a perfect gift for anyone into science fiction or myths, as it creatively looks at various creatures. Facts from the book: According to Leonardo DaVinci, weasel urine can kill a basilisk... Pegasus was birthed from the decapitation of Medusa... The Leviathan originally had a mate, until it was killed... A great book for people of all ages, and anyone will get a kick out of it.

About the AuthorEvan Liewer is a Site Director for Mission Encounters International (www.MissionEncounters.com) in Roatan, Honduras. Before that he was the Executive Pastor of Ocean Hills Community Church in Orange County, California.
