**Jason Hazeley, Joel Morris : The Ladybird Book of the Shed (Ladybirds for Grown-Ups)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ladybird Book of the Shed (Ladybirds for Grown-Ups):

It's basically about taking a picture then adding a funny caption that follows the theme.....nothing new really but I still got a laugh!I'm looking forward to the other books as they are

released! They are a bit pricey, though.....0 of 0 people found the following review helpful. Five Stars By SBindell This book is very funny 0 of 0 people found the following review helpful. An excellent perspective on the classic Ladybird books By uktravailer I was literally (!) taught reading through the Ladybird Key Words Reading Scheme from Book 1a "Play with us" through to book 12c "The Open Door to Reading." It was an amazing feeling to compete with classmates and boast about which book number you were on. The euphoria when we passed through 12c and managed to get onto free reading with more complex stories was intoxicating. This parody is well written with just enough "tongue in cheek" humor that pokes playful fun at the stereotypes of the time. The illustrations are reminiscent of the early 60s drawings with which we were so familiar. A great job!

From bestselling authors Jason Hazeley and Joel Morris - a nugget of wisdom in the phenomenal Ladybirds for Grown Ups series. This delightful book is the latest in the series of Ladybird books which have been specially planned to help grown-ups with the world about them. The large clear script, the careful choice of words, the frequent repetition and the thoughtful matching of text with pictures all enable grown-ups to think they have taught themselves to cope. Featuring original Ladybird artwork alongside brilliantly funny, brand new text. Also available: How it Works: The Husband How it Works: The Wife How it Works: The Mum The Ladybird Book of the Mid-Life Crisis The Ladybird Book of the Hangover The Ladybird Book of Mindfulness The Ladybird Book of the Shed The Ladybird Book of Dating The Ladybird Book of the Hipster

About the Author Joel Morris is the co-writer of The Framley Examiner and the best-selling Bollocks to Alton Towers. Along with Jason Hazeley, he has written for a frankly stupid number of radio and TV comedy shows including Charlie Brooker's Screenwipe. He divides his time between London and the pub.
