I got this for a colleague, and it's opened his eyes to a whole new world of humor. 0 of 0 people found the following review helpful. Five Stars By Dominic Homangod help assist or angels protect and sway the enemies if i have any 1 of 1 people found the following review helpful. Hilarious! By Evi This novel is absolutely hilarious! It is so well written and the jokes are so well placed. I enjoyed every single chapter, and I wish I hadn't finished it so quickly. It certainly puts Yahweh in a different perspective, though it wasn't written with serious intentions. I want to avoid giving everything away. If you enjoy humorous novels, give this book a chance. I'm sure you will like it, unless you are easily offended.

In The Last Testament, the ultimate celebrity memoir, God Himself shares with the faithful and everyone else His own story, offering revealing insights and hilarious anecdotes about everything from the creation of the universe to the emergence of Snooki. Now, the Almighty has achieved a new pinnacle of literary success; His new book is the basis for The Last Testament 2013 Day-to-Day Calendar that includes excerpts from all of the book's chapters, from Againesis to the New New Testament. It's a must-read follow-up to His phenomenal best-sellers of the last twenty

epochs.
