Younger, and delighted in his too, too short interim tenure in Asheville, NC . His humor accentuates his spirituality. This book is a must read for all Christians, especially all pre-baby boomers.0 of 0 people found the following review helpful. Loving-kindness mixed with serial cheerfulnessBy

Linda K. Mullinax Brett Younger is a gifted preacher, story teller, writer and humorist. We were blessed to have him as our interim pastor for a short time and enjoy keeping up with him and his family through his monthly column in "Baptists Today." You will smile, laugh out loud, shed a tear or two and do a little soul-searching as you read his self-deprecating slices of every-day life. Dr. Younger can be found in any dictionary under "loving-kindness mixed with serial cheerfulness." This little book is a treasure and you will love it!

The Lighter Side is a collection of humorous, yet meaningful observations about life and faith, including "Windshield Wiper Wisdom," "The Young and the Waistless, the Old and the Beautiful," and "The Joy of Sox." "With his trademark self-deprecating humor and insights that are at once pastoral and prophetic, Brett Younger's columns are Grady Nutt Meets Dave Barry Meets Zephaniah." -Julie Pennington-Russell, Senior Pastor First Baptist Church, Decatur, GA. "Throughout my life, I have found that the ability to see a bit of humor in even the most difficult of circumstances has been a 'grace gift' that has stood me in good stead. Anne Lamott calls laughter 'carbonated holiness.' I am delighted to have Brett's 'humorously holy' ramblings gathered into one spirit-lifting volume." -Clarissa Stirckland, Networking Specialist, Cooperative Baptist Fellowship "Brett Younger is one the funniest people I know. And, he's a Baptist preacher. Now that's funny." -Bert Montgomery, Author, Teacher, Minister "Brett Younger reminds me of the late, great Grady Nutt. He's a witty humorist who deploys laughter in service of divine insight. Just when you think you're guffawing at his insanely imaginative observations, you realize you're staring straight into God's own truth." -Marv Knox, Editor, Baptist Standard
